

MLK Dare to Dream

2019 Martin Luther King, Jr. Dare to Dream Festival

Vendor Application

Greetings!

The MLK Dare to Dream Festival has been serving the community for years in collaboration with Tallahassee Downtown Improvement Authority (TDIA), and The City of Tallahassee. We have had the honor of watching a vision become reality that we are more invigorated by each year. As we continue to give our community the opportunity to "Dare to Dream", we invite you to participate as a vendor and join us as we celebrate the legacy of Dr. King while inspiring the community to pursue their personal dreams and goals.
